President - ALEX - KD6LPA

December 2008

Merry Christmas &
Happy New Year!!!

PRESIDENT'S MESSAGE**By Alex Marko, KD6LPA**

First, I wish to express my sincere thanks for the 2008 club officers. Their dedication and sacrifice to the club is the reason for our success, and I would be remiss if I didn't thank and recognize each of them for their efforts. **Ed Hinz**, our Vice President, organized Field Day, arranged for various presentations at our club meetings, and even prepared food for us at Field Day. He also chaired the nominating committee and made the new member certificates. **Joe Lanphen**, our secretary/ treasurer, has worked tirelessly for many years in keeping club records and business related functions in order, preparing treasurer's reports, taking notes at all the council meetings, plus a million small tasks throughout the year that need to be done to keep the club running. **John Wilson**, a council member, was very supportive of some new ideas from the president, helped greet at the meetings, and served the club faithfully. Last, but certainly not least, **Joy Matlack**, a council member, was extremely valuable to me in providing timely advice, helping me set reasonable goals, writing several articles for the ArcOver, and sharing her insight so I could grow into a leadership role for this club. To each of you, I give you my thanks for a job well done.

At our last meeting, the club elected the new 2009 officers. Our new Vice President will be **Rich Whited**, who has served the club for many years as President. He also attended this year's council meetings as Past President and provided guidance when I needed it most. I've known Rich for many years, and know he will be a great Vice President.

For 2009, we will have two new council members: **Nancy Klatskin** and **Matt Cruse**. Nancy has been an active member for many years, serving religiously at Baker To Vegas. I met her for the first time at B2V this year, and found her to be a wonderful person to work with. While I was outside in the cold desert night recording the time for each runner, she graciously gave me another jacket to make sure I stayed warm. I really appreciated that act of kindness, and know she will serve and guide the club in the very same way.

Matt, is a new member, who joined us just a few months ago. He has a lot of enthusiasm for amateur radio and this club. Matt has been extremely active in setting up the Hermosa Beach city radio station, and has offered to take the club on a tour of the new facility. There's a certain spark about Matt that will help us embrace new ideas, improve existing processes, and enable us to continue attracting new members.

In other news, the results for this year's Field Day have been posted. This year, we amassed more than 3,000 points which enabled us to be in the top 10 of all LAX clubs. Great job!!! Nation-wide, we were ranked #128 overall.

PLEASE JOIN ME IN WELCOMING OUR CLUB'S NEWEST MEMBERS:

Barbara Shaw — KI6STY — and — **Jeremy Shaw — KI6SUA**

We wish to welcome the Shaw family to the SBARC. It all started when Jerry—KI6RRD joined us after taking the test at one of our VE sessions. Not long after, he upgraded to Extra.

He enjoyed it so much, he talked his XYL, Barbara, and son, Jeremy into taking the exams as well. They both passed with flying colors, and have now joined us!

Jeremy has the special honor of being our youngest club member, at the age of 12! Way to go Jeremy!!! And thank you to the whole family for choosing our club!!! — Alex

Attendance drawing:

Our lucky member **Shirley Wilkerson — KF6EXI** who was present at our November meeting won the kitty. Congratulations Shirley and thanks for being with us!

As many of you know, the Attendance drawing started at 15 dollars for many years. Recently, the council increased the starting amount to 20 dollars. Remember, the attendance drawing is for members in good standing, and that members must be present to collect the prize. If the kitty isn't won, it increases by 5 dollars until someone hits the jackpot.
