**Merry Christmas &
Happy New Year!!!**

Thanks to the 2009 Council Members

My heartfelt thanks to the outgoing 2009 council members.

First, I wish to thank Rich - KG6JKJ for finding interesting speakers for each month's club meeting and also organizing this year's Field Day.

Joe - WB6MYD has been our club secretary / treasurer for many years and I wish to convey my appreciation for his tireless efforts in doing so many tasks that add up to quite a bit of work.

Matthew (N6MDC), Nancy (NJ6S), and John (AC6FB) were our council members at large and helped in many supporting tasks throughout the year. My sincere thanks to each of them for a job well done.

Finally, I wish to thank Ed (KN6JN) and Ray (WA6OWM) for participating as Past President. Ed helped out with the certificates this year, and Ray offered several new ideas for boosting club activities.

Thank you all so much for your efforts this year! They are very much appreciated!

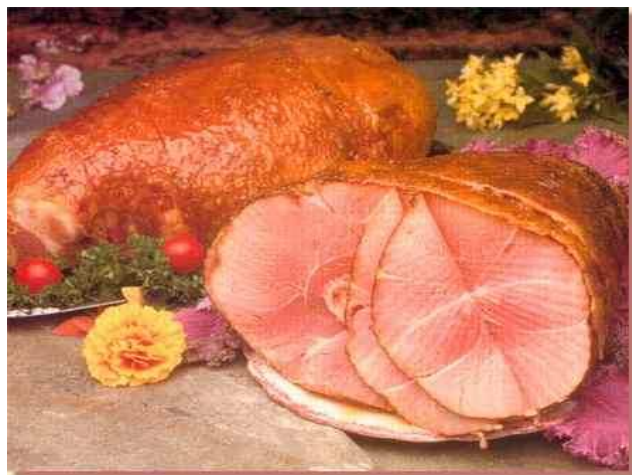

-- Alex

Field Day 2009 Results:

This year we scored nearly 2,500 points for Field Day. Although the number of contacts was lower this year, we did do extremely well on the bonus points and discovered that a lot of members really enjoyed working PSK31 this year. (PSK is like texting people via computer using amateur radio frequencies instead of the internet). We'll make sure to plan for more of that as well as conventional phone and CW contacts. Congratulations to everyone who participated, and special thanks to those who helped with the early antenna assembly, site setup and tear-down, computer network and software setup, food planning and execution, emergency generators, and the station captains for all their hard work!

WHAT TO BRING TO THE HOLIDAY DINNER POTLUCK!

P O T L U C K:

If your last name starts with an:

A ~ G **Salad**

H ~ P **Dessert**

Q ~ Z **Side Dish**

Please review the “legend” above as a guide for bringing food to the potluck. Each item should feed approximately 5-6 people.

As an added bonus, the club will hand out three cash prizes to three lucky members! Everyone who attends will be given a ticket after signing in. This means club members, family members and friends are all eligible! The first prize will be \$100. Second and third prize will be \$50 each. Prizes will be awarded after dinner and announcements are concluded.

We are so grateful to the Torrance Memorial Medical Center for allowing us to meet each month for free -- with first class accommodations. Please help us show our appreciation by bringing a poinsettia -- which will be used during our dinner, and then donated to the nurses stations in the hospital to express our thanks to the hospital.

FOR SALE: Create your own TV station!

PC-Electronics ATV equipment, cables, and extra adapters for supporting multiple frequencies. Excellent condition, like new. Normally sells for \$1200+, yours for \$300.

NOTES FROM THE SECRETARY JOE-WB6MYD
e-mail address - jlanphen@ca.rr.com· 310-328-0817

1. **Thank you!** We wish to thank Clint - K6LCS who gave a fantastic presentation on “Working Amateur Satellites using your HT” at our last November meeting. This was one of the best presentations we’ve had, as Clint’s adept presentation skills and knowledge made for an enjoyable evening. We look forward to having Clint speak again, and I think that’s very likely -- as he is also our newest club member! Thank you Clint for the presentation, and from all of us, welcome to our club!

2. **Attendance Drawing:** Mark - KA6ZTO was the lucky club member to have his ticket drawn. However, Mark was not present at the November meeting, so the kitty will increase to \$25 in January. (We don’t have a membership attendance drawing during our December holiday party).

3. **New Members:** The club has a formal presentation for recognizing new members that joined the club over the course of the year. This is the time where we present new members with a formal Membership Certificate as our thanks for joining the club. We hope all of you and your families / friends can make it!

4. **Weekly Net:** Join us every Thursday night at 7:30PM on the W6SBA repeater to hear all the latest and enjoy the conversation by your fellow SBARC members. (No net occurs on the day of club meetings)

5. **Meeting location:** As a reminder, the December 17 meeting will be in the **Health Conference Center, Room 1**. The Health Conference Center is the building facing Torrance Airport. Room 1 is on 1st floor.

(Go thru double doors and veer towards the left).

6. **Best Wishes:** Please accept our best wishes to you and your family for a very happy holiday season. We greatly appreciate your continued support -- as each of you make this club the special place it is. We can’t thank you enough for your continued contributions!!!
